TOP QUALITY STRING INSTRUMENTS & SERVICE

Highly recommended by string teachers for its consistently high quality instruments and service, Amadeus Strings specializes in the rental of string instruments to students in the New York Hudson Valley and is pleased to offer its string instruments to students in New York City. A family-owned business, Amadeus Strings is proud to offer personal and individualized attention to every student.

Since 2008, Amadeus Strings has become a highly respected and well-known instrument provider to the Third Street Music School in Manhattan, providing high quality instruments and fast, reliable service. At Amadeus Strings, we offer only high quality, handmade European violins and violas for both beginning and advancing students. Because we specialize in the bowed string instruments, all of our instruments are expertly maintained and set up with the finest strings and fittings. All rentals consist of an outfit that includes a hand carved violin/viola, natural horsehair bow, case, and rosin. Insurance is included in your rental fee, protecting you in case of damage or theft of the instrument.

INVESTING IN YOUR CHILD'S MUSICAL FUTURE

In addition to quality rental instruments, we also carry a wide range of hand-selected intermediate and professional-grade instruments and bows for the advancing student. Equity accrues at 100% of the first year's rental fee (excluding insurance and tax), plus 40% of the second year, and 20% of each additional year.

"I am an experienced string teacher in the Hudson Valley, and Amadeus Strings is consistently my first choice for string rentals and sales. When you look at aspects such as instrument action (playability), the instrument's ability to retain its tuning over time, quality of tone, top notch material such as horsehair bows, carved instruments, high quality strings, and more, Amadeus Strings excels. Along with quality instruments comes first-rate service, hands down the best in the Hudson Valley."

"As a beginning strings teacher, I see the effect that a high quality instrument has on a child's learning every day. It is such a relief when students walk into class with Amadeus Strings instruments. I know that they'll stay in tune and sound great every time. When a child sounds good as a beginner they enjoy playing more and progress faster. I can't recommend Amadeus Strings enough."
