"I am an experienced string teacher in the Hudson Valley, and Amadeus Strings is consistently my first choice for string rentals and sales. When you look at aspects such as instrument action (playability), the instrument's ability to retain its tuning over time, quality of tone, top notch material such as horsehair bows, carved instruments, high quality strings, and more, Amadeus Strings excels. Along with quality instruments comes first-rate service, hands down the best in the Hudson Valley."

"As a beginning strings teacher, I see the effect that a high quality instrument has on a child's learning every day. It is such a relief when students walk into class with Amadeus Strings instruments. I know that they'll stay in tune and sound great every time. When a child sounds good as a beginner they enjoy playing more and progress faster. I can't recommend Amadeus Strinas enough."
