AMADEUS STRINGS: FOCUSED ON QUALITY

Recognized as one of the top violin shops in New York State, Amadeus Strings is pleased to offer its quality string instruments to the Third Street Music School Settlement of New York City.

Amadeus Strings specializes in the rental of quality student violins, violas, and cellos in full and fractional sizes. For both beginning and advancing students, Amadeus Strings offers only high quality European string instruments. All rentals consist of an outfit that includes a hand carved instrument, natural horsehair bow, case, and rosin.

For your peace of mind, insurance is included in your rental fee, protecting you in case of damage to the instrument.

Our equity program also allows you to accrue money while renting to be applied to up to 50% of a future purchase of an instrument from Amadeus Strings. Equity accrues at 100% of the first year's rental fee (minus insurance and tax), plus 40% of the second year, and 20% of each additional year.
